## A Brief Summary of our past "Support Group Meetings"

... Road Hazards — Forms have been made up and are available at the office, to be sent to the different municipalities when a potential road hazard is discovered. Any member who sees a condition of our highways that may contribute to an accident, is urged to report it to A.I.M.'s office.

... Helmet Hassles — It was reported that there have been hassles with the Mission police regarding helmets. It is suggested that if anyone gets a ticket, to please, don't fight it with the police, but fight it in court. All helmet cases have been put over until after Nov. 25, 1985.

... Motorcycle Licensing — Member's beware, anyone who does not have a Class 6 Drivers License is not covered by Insurance, so please don't ride.

... Hall Rental — The hall rental for our General Meetings at Park Lodge Hall, 29th and Rupert St., has been increased and now costs \$50.00.
